The following members of the Board of Directors were present:

Mr. Bliss chaired the meeting. Also present were Mark Silversmith, Secretary of NYCLDC, who served as secretary of the duly constituted meeting, at which a quorum was present, Spencer Hobson, an Executive Vice President and Treasurer of NYCLDC, Amy Chan, an Assistant Treasurer of NYCLDC (by Zoom), Shin Mitsugi, a Senior Vice President of NYCEDC, Gigi Li, a Vice President of NYCEDC, Sean Freas, a Vice President of NYCEDC, Scott Shostak, a Senior Counsel of NYCEDC, Jaan Kangur, a Senior Paralegal of NYCEDC, and MaFamata Seck, a Senior Technical Lead of NYCEDC. The meeting was called to order at 2:15 p.m. (Attached hereto as Attachment 1 is a definition sheet that contains the definitions of certain frequently used terms that may be contained in the Exhibits attached hereto.)

1. Approval of the Minutes of the September 29, 2023 Regular Meeting of the Board of Directors

There were no questions or comments with respect to the minutes of the September 29, 2023 Board of Directors meeting, as submitted. A motion to approve such minutes, as submitted, was made, seconded and unanimously adopted.

2. Ratification of Submission of the Annual Report of the Board of Directors

A motion was made to ratify the submission to the Members of NYCLDC at the annual meeting of the Members on November 15, 2023 of the Annual Report of the Board of Directors of New York City Land Development Corporation ("NYCLDC") for the Fiscal Period Ended June 30, 2023. Such motion was seconded and unanimously approved.

3. Lease to Broadway East Group, LLC

At this time, Mr. Freas presented a proposal for NYCLDC to (i) enter into a lease (the "Lease") for Block 282, Lot 44 on the Tax Map of the Borough of Manhattan (the "Site") from The City of New York (the "City"), which Site is located under the Manhattan Bridge in Chinatown, is an approximately 18,750 square foot lot that is currently improved with an approximately 50,706 square foot, two-story retail mall building (the "East Broadway Mall"), and is owned by the City, (ii) assign such Lease to Broadway East Group, LLC or an affiliated entity, and (iii) enter into any related agreements and documents and consents and amendments to effectuate the East Broadway Mall project, all in order to benefit the public and provide positive economic impact for the City and The State of New York by transforming, renovating and revitalizing the underperforming East Broadway Mall into a vibrant retail center, all on substantially the terms set forth in Exhibit A hereto.

In answer to a question from Mr. Bliss, Mr. Freas stated that it was expected that following execution of the Lease, the New York City Department of Citywide Administrative Services would act as administrator of the Lease.

A motion was then made to approve the matters set forth for approval in the Proposed Resolution section of Exhibit A hereto. Such motion was seconded and unanimously approved.

4. Election of Committees

Mr. Silversmith then proposed that NYCLDC (i) continue the following currently existing standing committees of the Board of Directors – the Audit Committee and the Governance Committee, both of which shall have the same duties as currently exist, and (ii) elect the proposed members and chairpersons of such committees as listed in Exhibit B hereto.

5. Election of Officers

The Board had been informed that a description of the major responsibilities of most officers may be found in Article IV of NYCLDC's Bylaws. The Board had previously elected as the President of NYCLDC the then serving Chief Financial Officer ("CFO") of the local development corporation named New York City Economic Development Corporation, or any successor to such corporation by consolidation or merger, and whoever was then serving as CFO would be President of NYCLDC without further election by NYCLDC's Board. Mr. Silversmith stated that it was proposed to re-elect the other current officers of NYCLDC who were indicated in Exhibit C hereto.

6. Adoption of Policies Pursuant to PAAA

Mr. Silversmith then presented for approval the following matters:

- (i) policies and procedures related to the procurement of goods and services;
- (ii) policies, guidelines and procedures related to the acquisition and disposition of real property (which contain the appointment of a Contracting Officer for real property therein);
- (iii) policies and procedures related to the disposition of personal property (which contain the appointment of a Contracting Officer for the disposition of personal property therein); and
- (iv) investment policies, procedures and guidelines;

all on substantially the terms set forth in Exhibit D hereto. All such policies, procedures and guidelines were in the same form as adopted the previous year.

#### 7. Mission Statement and Measurement

The Board was informed that the Public Authorities Accountability Act of 2005 as amended (the "PAAA") required NYCLDC to annually review its mission statement and measurements by which the performance of NYCLDC and the achievement of its goals may be evaluated. It was then proposed to continue to use NYCLDC's existing mission statement and the measurement indicated in Attachment A to Exhibit E hereto for Fiscal Year 2024.

#### Approval of Sections 4, 5, 6 and 7 Matters

At this time, a motion was made:

- (i) (a) to continue the following currently existing standing committees of the Board of Directors – the Audit Committee and the Governance Committee, both of which shall have the same duties as currently exist, and (b) to elect the proposed members and chairpersons of such committees as listed in Exhibit B hereto;
- (ii) to elect the individuals named in Exhibit C hereto as the officers of NYCLDC indicated in Exhibit C;
- (iii) to adopt the resolution set forth in Exhibit D hereto; and
- (iv) to adopt the resolution set forth in Exhibit E hereto.

Such motion was seconded and unanimously approved.

#### 8. Governance Committee Report and Self-Evaluation

At this time, Mr. Bliss, Chairperson of the Governance Committee of NYCLDC (the "Committee"), stated that the PAAA required that the NYCLDC Board of Directors undertake an annual self-evaluation survey, that the Committee had approved the survey questions to be used for the self-evaluation by the Board for Fiscal Year 2023, which were the same as those used in previous years, that the survey had been

conducted, and that the Committee had reviewed the results of the survey, which were anonymous. All of the answers to the survey questions were favorable, and no material matters were raised.

9. Adjournment

There being no further business to come before the meeting, pursuant to a motion made, seconded and unanimously approved, the meeting of the Board of Directors was adjourned at 2:26 p.m.

**NEW YORK CITY LAND DEVELOPMENT CORPORATION**

**LEASE TO BROADWAY EAST GROUP, LLC  
Board of Directors Meeting  
November 15, 2023**

**LESSOR:** The City of New York (the “City”)

**LESSEE/  
LEASE ASSIGNOR:** NYCLDC

**LEASE ASSIGNEE:** Broadway East Group, LLC or an affiliated entity (the “Broadway East Group”)

**SITE  
LOCATION:** East Broadway Mall,  
88 East Broadway,  
Block 282, Lot 44 (the “Site”)  
Borough of Manhattan  
Community Board No. 3

**SITE  
DESCRIPTION:** The Site, located under the Manhattan Bridge in Chinatown, is an approximately 18,750 square foot lot that is currently improved with a two-story retail mall building, known as the East Broadway Mall, consisting of approximately 50,706 square feet. It is owned by the City.

The Site is approximately depicted in Attachment A.

**PROJECT  
DESCRIPTION** The City entered into a long-term lease (the “Original City Lease”) with a private developer-tenant in 1985 for the construction and operation of a mall at the Site known as the East Broadway Mall. In 2019, the private developer-tenant originally selected by the City filed for bankruptcy. Following four years of bankruptcy proceedings, in 2023 the Bankruptcy Court conditionally approved a plan to exit bankruptcy. The plan is based upon the Original City Lease being assigned to Broadway East Group and for providing for a term of 30 years. However, the Original City Lease has only approximately 11 years remaining, expiring in 2035. Accordingly, the City has proposed that NYCLDC enter into a new lease (the “NYCLDC Lease”) for a term of 19 years, commencing at the end of the term of the Original City Lease, and assign the NYCLDC Lease to Broadway East Group for nominal additional consideration. The City will enter into the NYCLDC Lease with NYCLDC only if NYCLDC

will assign the NYCLDC Lease to Broadway East Group in order to satisfy the Bankruptcy Court approval. NYCLDC, therefore, could not use competition to find an assignee of its lease. In connection with the bankruptcy proceeding, other entities made offers for the Site. It is anticipated that the Original City Lease may be amended by the City at the time of its assignment to Broadway East Group and that the Original City Lease, as amended and restated, and the NYCLDC Lease will be merged after both have been assigned to Broadway East Group. At the time of the merger, the term of the merged lease may be changed from a 30 year term to a 20 year term with a 10 year option to renew.

**PURPOSE OF THE  
DISPOSITION/BENEFIT  
TO THE PUBLIC:**

The disposition of the Site to Broadway East Group will benefit the public and provide positive economic impact for the City and the State of New York by transforming, renovating and revitalizing the underperforming East Broadway Mall into a vibrant retail center. The disposition shall enable the creation of construction jobs and permanent jobs and contribute to overall economic activity, increase tax revenues, along with providing support and protections for the existing small businesses in the East Broadway Mall.

**LEASE TERMS:**

The term of the NYCLDC Lease is for 19 years, commencing February 1, 2035. At that time, the rental will be an initial annual rent in the amount of approximately \$1,322,000, which consists of (a) base annual rent of \$622,905.24 (which thereafter will increase by 3% annually) and (b) Payments in Lieu of Taxes (PILOT) for the full amount of real estate taxes that would be assessed by the New York City Department of Finance each year (currently approximately \$700,000 per year) if the Site was not City owned.

The Site is in need of extensive renovation and revitalization, including capital improvements, restructuring, and aesthetic improvements. By an amendment to the Original City Lease, Broadway East Group will be required to spend at least \$5,000,000 on the renovation of the retail building portion of the Site. Broadway East Group will also be required to make a \$2,000,000 initial one-time payment to the City upon the amendment and assignment of the Original City Lease. The Site must be used primarily for retail and/or commercial uses under the Original City Lease and the NYCLDC Lease.

Certain current subtenants under the Original City Lease must be permitted to remain for 2 years once that lease is assigned to Broadway East Group.

**APPRAISED  
VALUE:**

An independent appraisal of the Site as is was obtained by the City that valued the current fair market annual rent for the Site based on the highest and best use, which amount was increased by three percent (3%) per year from 2023 to 2035 to reflect the NYCLDC Lease commencement date of February 2035 to an amount of \$1,771,800. The total rent payable under the Original City Lease as amended and the NYCLDC Lease (plus the \$5,000,000 expended for improvements and the \$2,000,000 one-time payment to the City) is approximately equal to the appraised value for the term of the leases if the rent increased by 3% per year.

**EXISTING  
ZONING:**

The Site is within a Commercial Zoning District specific to Chinatown designated as C6-1G.

**PUBLIC  
APPROVALS:**

The East Broadway Mall Original City Lease received ULURP approval for disposition on December 6, 1979. Pursuant to Section 384(b)(4) of the City Charter, the Manhattan Borough Board approved the proposed disposition of the Site in accordance with the Bankruptcy Court approval on September 21, 2023.

**PROPOSED  
RESOLUTION:**

Approval for NYCLDC to (i) lease the Site from the City substantially as described herein, (ii) assign such NYCLDC Lease to the Broadway East Group, substantially as described herein, and (iii) enter into any related agreements and documents and consents and amendments to effectuate the East Broadway Mall project, substantially as described herein

WHEREAS, NYCLDC wishes to readopt the Procurement Policy, Real Property Policy, Personal Property Policy, and Investment Policy in their current forms as stated in Attachments A-D hereto (including the appointment of a Contracting Officer as stated in the Real Property Policy and a Contracting Officer as stated in the Personal Property Policy);

NOW, THEREFORE, RESOLVED that the Board readopts the Procurement Policy, the Real Property Policy, Personal Property Policy and Investment Policy in their current form, as stated in Attachments A-D hereto, and appoints a Contracting Officer as stated in the Real Property Policy and a Contracting Officer as stated in the Personal Property Policy.

## Attachment A

**NEW YORK CITY LAND DEVELOPMENT CORPORATION  
POLICY REGARDING THE PROCUREMENT OF GOODS AND SERVICES**

New York City Land Development Corporation (“LDC”) may enter into contracts for goods and services with New York City Economic Development Corporation and its successors on a sole source basis. If LDC proposes to enter into a contract or agreement for goods or services with any other person, it shall use such procurement method as is required by the source of funds for such contract. If the source of funds does not specify a procurement method, LDC shall use a procurement method similar to a method required for procurements by the City of New York.

Any contracts and agreements for goods and services (other than those for operating expenses) in excess of \$100,000 and for outside auditor services shall be presented to the Board of Directors for approval.

## Attachment B

# NEW YORK CITY LAND DEVELOPMENT CORPORATION POLICY REGARDING THE ACQUISITION AND DISPOSITION OF REAL PROPERTY

## I. Introduction

In accordance with the requirements of Title 5-A of Article 9 and Section 2824(1)(e) of the Public Authorities Law, added to such law by the Public Authorities Accountability Act of 2005 as amended (the "PAAA"), the following comprehensive guidelines ("Guidelines") of the New York City Land Development Corporation ("LDC") set forth (i) operative policy and instructions regarding the use, awarding, monitoring and reporting of contracts for the disposal of real property through means of real property sale and assignment of lease, (ii) guidelines relating to the acquisition of real property, and (iii) related policies and procedures. The only real property that LDC will acquire or dispose of is real property that it acquires from The City of New York (the "City").

## II. Methods of Disposing of Real Property

LDC shall dispose of real property in accordance with Title 5-A and other applicable laws. All dispositions of real property shall further comply with such other requirements as may from this time be imposed by the City.

Under the supervision and direction of the Contracting Officer for real property dispositions (hereinafter defined) or his/her designee, LDC will sell real property that it purchases to New York City Economic Development Corporation, its successors and assigns ("NYCEDC") or such other person or entity as it is directed to by NYCEDC. It shall assign leases for real property that it enters into to NYCEDC or such other person or entity as it is directed to by NYCEDC. When LDC is directed by NYCEDC to sell property or assign a lease to a third party, it is anticipated that generally a method that complies with NYCEDC's policy regarding the acquisition and disposition of real property adopted in accordance with the requirements of the PAAA, shall have been followed to select the purchaser or assignee, it being understood that in some cases NYCEDC may issue an RFP that relates to the sale or assignment of a lease directly by LDC to a third party or to the third party after sale or assignment of lease to NYCEDC by LDC.

It is understood that the City is disposing of property to LDC with LDC's agreement that LDC will dispose of such property either to NYCEDC or to a third party at the direction of NYCEDC. NYCEDC will dispose of such property or designate a person or entity to whom or to which to dispose of the property in furtherance of LDC's economic development mission. No additional competition is feasible under the circumstances because LDC shall have no alternative to disposing of the property as provided in this paragraph because the City will be disposing of the property to it subject to LDC's agreement that LDC will make the disposition as described in this paragraph. In addition, it is anticipated that generally any sale or assignment of lease by LDC to a designee of NYCEDC shall have been chosen by NYCEDC by such competition as is feasible under the circumstances. When LDC sells such property to NYCEDC, it shall be for the same price that LDC paid to the City to acquire the property. For leases

assigned to NYCEDC, such assignments will be for nominal consideration. When leases are assigned to a third party at the direction of NYCEDC, the third party generally shall assume LDC's obligations thereunder. Dispositions under these Guidelines may be for a price that is below fair market value, in which case, the dispositions shall be required to comply with the policy described herein concerning below fair market value dispositions.

No disposition of real property shall be made unless an appraisal has been made by an independent appraiser and included in the LDC file.

When a negotiated disposition is undertaken, in accordance with Section 2897(d) of the Public Authorities Law in most cases not less than 90 days (or such other period as the statute may later require) prior to the disposal of the property, an explanatory statement must be submitted to the state comptroller, state director of the budget, state commissioner of general services and state legislature, a copy of the same to be maintained in LDC's files.

### **III. Below Fair Market Value Disposition**

In the event a below fair market value asset transfer is proposed to LDC's Board of Directors, the following information must be provided to LDC's Board of Directors and the public:

- (i) a full description of the asset;
- (ii) an appraisal of the fair market value and any other information establishing the fair market value sought by the Board;
- (iii) a description of the purpose of the transfer, and a reasonable statement of the kind and amount of the benefit to the public resulting from the transfer, including but not limited to the kind, number, location, wages or salaries of jobs created or preserved as required by the transfer, the benefits, if any, to the communities in which the asset is situated as are required by the transfer;
- (iv) a statement of the value to be received compared to the fair market value;
- (v) the names of any private parties participating in the transfer, and if different than the statement required by subparagraph (iv) of this paragraph, a statement of the value to the private party; and
- (vi) the names of other private parties who have made an offer for such asset, the value offered, and the purpose for which the asset was sought to be used.

Before approving the disposal of any property for less than fair market value, the Board of Directors of LDC shall consider the information described in the above paragraph and make a written determination that there is no reasonable alternative to the proposed below-market transfer that would achieve the same purpose of such transfer. The Contracting Officer shall provide such supplemental information as the Board may require.

### **IV. Acquisitions**

Real property may be purchased by LDC from the City for purposes of resale in accordance with these Guidelines, and may be leased by LDC from the City for purposes of assignment of lease in accordance with these Guidelines. The purpose of such acquisition shall be to further a purpose of LDC under Section 1411 of the New York State Not-for-Profit Corporation Law. The Contracting Officer or his/her designee shall approve the terms of the acquisition and obtain the approval of LDC's Board of Directors for the same.

**V. Approvals**

All purchases, sales, leases and assignment of leases of real property by LDC must be approved by its Board of Directors. Approvals may be obtained for specific purchases, sales, leases or assignments of lease or the Board of Directors may grant approval to purchases, sales or leases or assignments of leases so long as specified guidelines are met.

When City property is being leased or purchased by LDC, all City required approvals must also be obtained, e.g., ULURP approvals (Section 197-c of the New York City Charter) and Borough Board and Mayoral approvals under Section 384(b)(4) of the New York City Charter.

**VI. Monitoring and Reporting Contracts for Disposal**

Prior to the disposal of the real property the Contracting Officer shall be the person with primary responsibility for the monitoring of compliance with the terms of any contract or other agreement or memorandum for the disposal.

The Contracting Officer shall cause a record to be maintained of all real property disposed of and shall cause to be prepared and transmitted all reports relating to the disposition of real property required by Title 5-A.

**VII. Contracting Officer**

The President of LDC shall be LDC's Contracting Officer for real property dispositions.

## Attachment C

**NEW YORK CITY LAND DEVELOPMENT CORPORATION  
POLICY REGARDING THE DISPOSITION OF PERSONAL PROPERTY**

Personal Property Valued at \$5,000 or Less

Whenever New York City Land Development Corporation (the “Corporation”) wishes to transfer title to or a beneficial interest in an item of personal property or an interest therein with an estimated value of \$5,000 or less, it shall obtain offers from one or more persons or entities as the Corporation’s contracting officer for personal property dispositions (the “Contracting Officer”) or his or her designee deems appropriate. The Corporation shall maintain a record of the persons or entities approached and their responses. The Corporation may conduct discussions with some or all of the persons and entities. The property may be disposed of to whichever person or entity the Contracting Officer or his or her designee selects based on the proposed price and any other factors that the Contracting Officer or his or her designee deems appropriate.

All personal property that the Contracting Officer or his or her designee considers to be of no sale value and no use to the Corporation may be destroyed or otherwise disposed of in such manner as is determined by the Contracting Officer or his or her designee. Notwithstanding the foregoing, records may only be destroyed or disposed of at a time and in a manner not in conflict with applicable law, regulation or contract.

No approval of a disposition of a type described above is required from the Board of Directors or any committee thereof. All disposal documents must be approved and executed by an officer who is an authorized signatory of all agreements of the Corporation.

Personal Property Valued in Excess of \$5,000

Whenever the Corporation wishes to transfer title to or a beneficial interest in an item of personal property or an interest therein with an estimated value in excess of \$5,000 it shall first obtain an appraisal of the property if, because of the unique nature of the property or the unique circumstances of the proposed transaction, it is not readily valued by reference to an active market for similar property. However, an appraisal of the property will not be required if an appraisal of the property or similar property has been made within the past two years.

The person or entity to which the property shall be disposed of shall be determined through a procurement conducted in accordance with Title 5-A of Article 9 of the Public Authorities Law. The Corporation shall publicly advertise for proposals for the disposal of the property in accordance with Title 5-A, provided that it may dispose of the property without public advertising, obtaining such competition as is feasible under the circumstances, when permitted to do so under Title 5-A. All requirements of Title 5-A and other applicable laws, if any, related to the disposition shall be complied with.

Prior to the disposal of the property, the person involved in the disposition shall be the primary person responsible for the monitoring of compliance with the terms of the

contract for the disposal, and shall keep the Contracting Officer or his or her designee informed of all major issues that arise and of the status of the disposition.

The disposal must be approved by the Board of Directors or Executive Committee of the Board if the disposal (1) is on a sole source basis for an amount in excess of \$20,000, (2) is for an amount in excess of \$100,000 and has been competitively procured, or (3) is for property valued in excess of \$5,000 and will be disposed of for less than fair market value (in which case it must be approved by the Board of Directors not the Executive Committee). For disposals for less than those amounts, no approval is required of the Board of Directors or a committee thereof. In all cases, the disposal must be approved by the Contracting Officer or his or her designee and disposal documents must be approved and executed by an officer who is an authorized signatory of all agreements of the Corporation.

The Contracting Officer shall cause a record to be maintained of all personal property disposed of for an amount in excess of \$5,000 and shall cause to be prepared and transmitted all reports relating to the disposition of personal property required by Title 5-A.

The President of the Corporation shall be the Corporation's Contracting Officer for dispositions of personal property.

Other interest bearing accounts, if permitted by applicable laws, rules and regulations, with New York City financial institutions designated by the New York City Banking Commission or such other financial institutions approved by the Deputy Mayor for Economic Development or his successor in function.

## **VI. Written Contracts**

LDC shall enter into written contracts pursuant to which investments are made which conform with the requirements of these guidelines and Section 2925.3(c) of the Public Authorities Law unless the Board or Executive Committee determines by resolution that a written contract containing such provisions is not practical or that there is not a regular business practice of written contracts containing such provisions with respect to a specific

investment or transaction, in which case the Board or Executive Committee shall adopt procedures covering such investment or transaction.

**VII. Diversification**

The portfolio shall be structured to diversify investments to reduce the risk of loss resulting from over-concentration of assets in a specific maturity, a specific issuer or a specific type of security. The maximum percentage of the total portfolio permitted in the indicated type of eligible security is as follows:

A.	U.S. Treasury	100% maximum
B.	Federal Agency	100% maximum
C.	Repurchase Agreements	5% maximum
D.	Commercial Paper	25% maximum
E.	Bankers Acceptances and Time Deposits	25% maximum
F.	Certificates of Deposit	20% maximum
G.	Other Investments Approved by Comptroller for City Funds	A percentage deemed prudent by Treasurer

**VIII. Maximum Maturity**

Maintenance of adequate liquidity to meet the cash flow needs of LDC is essential. Accordingly, the portfolio will be structured in a manner that ensures sufficient cash is available to meet anticipated liquidity needs. Selection of investment maturities must be consistent with cash requirements in order to avoid the forced sale of securities prior to maturity.

For purposes of this investment policy, assets of the portfolio shall be segregated into two categories based on expected liquidity needs and purposes – Cash equivalents and Investments. Assets categorized as Cash equivalents will be invested in permitted investments maturing in ninety (90) days or less or deposited in Deposit Accounts. Assets categorized as Investments will be invested in permitted investments with a stated maturity of no more than two (2) years from the date of purchase.

**IX. Monitoring and Adjusting the Portfolio**

Those responsible for the day-to-day management of the portfolio will routinely monitor the contents of the portfolio, the available markets and the relative values of competing instruments, and will adjust the portfolio as necessary to meet the investment objectives listed above. It is recognized and understood that the non-speculative active management of portfolio holdings may cause a loss on the sale of an owned investment.

## **X. Internal Controls**

The Treasurer or an Assistant Treasurer under the direction of the Treasurer shall establish and be responsible for monitoring a system of internal controls governing the administration and management of the portfolio. Such controls shall be designed to prevent and control losses of the portfolio funds arising from fraud, employee error, misrepresentation by third parties, unanticipated changes in financial markets, or imprudent actions by any personnel.

## XIII. Applicability

Nothing contained in these Guidelines shall be deemed to alter, affect the validity of, modify the terms of or impair any contract, agreement or investments of funds made or entered into in violation of, or without compliance with, the provisions of these Guidelines.

## XIV. Conflict of Law

In the event that any portion of this policy is in conflict with any State, City or federal law, that law will prevail.

## XV. No Conflict With Other LDC Policies

These Investment Guidelines do not modify the powers given by LDC’s Board of Directors which authorized and resolved that (i) officers of LDC be authorized to obtain and maintain any bank, investment and other financial accounts as may be necessary or useful to LDC in furtherance of LDC’s operations (the “Accounts”); (ii) the officers of LDC be authorized to

perform all those tasks necessary or useful to ensure that LDC, acting through those authorized officers listed in the Bylaws of LDC, has access to and control over the Accounts; (iii) the Directors adopt and incorporate by reference the standard forms of banking resolutions and incumbency certificates ordinarily used by such financial institutions selected by the officers of LDC and (iv) any officer of LDC be authorized to certify to the due adoption of such banking resolutions and incumbency certificates. Empowered officers may enter into agreements with banks and financial institutions for bank accounts and to purchase investments of the type indicated in these Investment Guidelines and other investments specifically approved by LDC's Board of Directors.

These Investment Guidelines do not modify any restriction, if any, otherwise imposed on various types of funds held by LDC, such as any restrictions set forth in any third party contracts with the City, or resulting from the source of funds (e.g. federal funds). Those other restrictions, to the extent inconsistent with these Investment Guidelines, shall govern. If possible, all sets of restrictions should be complied with. Furthermore, by adopting these Investment Guidelines, the Board is not amending or superseding any approval given or hereafter given for investments related to particular projects.
